Dear Fx Health Community,

The past few weeks have been a true testament of how humanity has overcome many challenges by standing together. By calling on our communities for assistance and support.

Fx Health is no different. We are here to serve our community!

We have initiated our first newsletter as a way of supporting our current patients but also anyone who has a need for community. In a time of uncertainty we would like to create certainty!

OUR ADMIN TEAM CAN TAKE YOUR CALL

Feel free to contact us on
021 461 2457 or email us on
